THE

Mortonette C-5

Morton's designers have indeed created a magic table! Small, light, well made — the MORTONETTE is the ultimate in utility. From small rooms in hotels to elaborate suburban homes, the MORTONETTE

plays its role in innumerable places. As a chair-side table, lamp table, end table, or a table for the telephone, radio, phonograph, as a simple night stand, it's well . . . presto! the MORTONETTE!

As a radio table the MORTONETTE has a dual use! A small radio, as pictured, fits either shelf or top, leaving the other free for magazines, art objects. When ordering, it's the MORTONETTE #6000!

Pictured above is the MORTONETTE #6000 in use as a bedside table. Note the roomy top and shelf! Both are made of 5-ply mahogany or walnut veneer. Balance is solid Hardwood finished to match! Note small drawer, meshed grill! Handy!

The photo above shows the MORTONETTE #6000 with a small radio on the top shelf. You can see that there's ample space on the second shelf for magazines or other articles. It's 17" square, 27" in height! .. dual use!

As a simple lamp table the MORTONETTE can be used everywhere! Second shelf for magazines, odds and ends! Handy drawer for all around utility. Neat and simple!

The MORTONETTE #6000 is at its most dignified best as a combination book case and lamp table. Wire mesh grill, handy drawer, a 17" sq. shelf and top, in mahogany or walnut 5-ply veneer, balance Hardwood...a classic!

Among the most pressing problems of modern housewives is where to put records, albums, the record player! The MORTONETTE is ideally suited for this purpose. The above photo illustrates just how neatly this is done!
